

TECHNICAL DATA

Tripod MOBILE – PRO II

Empty weight:	approx. 21,7 kg / approved for 2 people
Max. load:	500 kg
Max. height:	2.207 mm
R max. width:	1.550 mm
Useable working height:	1.976 mm
Transport dimensions:	1.432 x 310 x 305 mm
Material:	Aluminum alloy/steel

Tripod FIXED – ECO II

Empty weight:	approx. 16,1 kg / approved for 2 people
Max. load:	500 kg
Max. height:	2.031 mm
R max. width:	1.500 mm
Useable working height:	1.814 mm
Transport dimensions:	1.304 x 281 x 310 mm
Material:	Aluminum alloy/steel

Tripod MOBILE – PRO II Tripod FIXED – ECO II

Combined tripod and winch:

- Load capacity of up to 500 kg
- High-tensile, anti-twist 5-mm steel cable available from 8 to 30 m
- Integrated load pressure break holds at a min. 25 kg load

TÜV SÜD-certified suspension point Type B to EN 795: 2012 / TS 16415

Specially designed "Easy" attachment enables the MARTIN PSA fall arrest and recovery block to be assembled in a matter of seconds

Combined tripod and HSRG:

- Suspension point compliant to EN 795: 2012 / TS 16415
- HSRG compliant to EN 360 and EN 1496
- Approved by TÜV SÜD accordance with the EC type test certificate as personal protection equipment to prevent falling from great heights

Our Highlight
compact
flexible
ultra-light

FIXED – ECO II

MOBILE – PRO II

Our new design offers the following benefits:

- 1 Fall arrest and - Personal rescue winch
- 2 With "Easy" adapter
- 3 standardized accessories, user friendly "Easy" adapters for HSRG and material winch
- 4 Secure connecting bolts
- 5 Two additional suspension points (1x person, 1x load)
- 6 Secure locking bolts for tripod system set up
- 7 Integrated roller bearings
- 8 Advanced steel rope guiding system
- 9 Steering wheel with wheel break
- 10 Steering wheel with drawbar
- 11 Horizontal strut with fall bar
- 12 Legs for Modell ECO II
Rolls for Modell PRO II

CONSTRUCTION DETAILS

Secure people

Securing person at manhole entry with HSRG and supervising person

Upright body posture during rescue (use Sling-Set)

Bent body posture and difficult rescue (without Sling-Set)

Rescue people

Rescue with HSRG

Drive off the danger zone

Lay down the rescued person

Lift and transport loads

Loosen, lift and drive of manhole covers (max. 500 kg) with winch

Lift a pump with chain gripper

CARRIER BAG

For Tripod Mobile-PRO II and Fixed-ECO II

Carrier handles at center back and front

Zip lock

Inner compartment for material winch

Robust and practical gear carrier and storage

Ident-Nr. 67012 Carrierbag Athlet-ECO

FURTHER ADVANTAGES

- Clear and functional design
- Reinforced torsion-resistant aluminum profile
- No line suspension in floor area needed (no trip hazard)
- More working height
- Full "Easy" adapter compatibility to all MARTIN PSA models
- Less cost for maintenance and spare parts
