Fall Protection and Rescue Equipment

Personal Protective Equipment (PPE)

CERTIFIED to EN ISO 9001-2015
 CERTIFICATE Nr. 20100163000827

Safe is safe.

Personal safety equipment and accessories from MARTIN PSA are ideally used with our fall arrest and rescue equipment (tripod, powerarm and fall arrest systems). All products offer a maximum degree of safety and comfort.

Our safety vests are multiply usable and built for intensive use and work. The combination of safety harness and protection vest is a widely accepted solution in industrial areas, in road construction and for use in manholes, shafts and canals.

*Our Highlight
 compact
 flexible
 ultra-light*
